

Choices Workshop - Funshop

for all our members in Auckland

What is a Funshop?

A Funshop is a place to learn and talk about making choices and decisions, a place to have fun and a place to spend time with old and new friends.

What will we talk about at the Funshop?

- Your right to make your own decisions
- What helps you to make decisions
- What gets in the way of making decisions
- Choosing the right support to help you make decisions.

Who will run the Funshop?

We have great facilitators from the IHC Community Advocacy team who have run workshops for the youth NZDSA camps, workshops at the Forum and self-advocacy training.
