

Supporting Decision-Making Workshop for all our members and supporters in Taranaki

The NZDSA is delighted to be calling for expressions of interest from families/whānau and people who provide support or education to people with Down syndrome in Taranaki to attend a Supporting Decision-Making Workshop facilitated by the Community Advocacy Team at IHC. The workshop facilitators are active supporters and advocates for our community and bring a wealth of knowledge and experience which they have shared with us at sessions at the NZDSA Forum, STRIVE training funshops, as well as the Supported Decision-Making workshops which they have facilitated for the Manawatū and Canterbury Down Syndrome Communities.

At the workshops you will:

- Explore what Supported Decision-Making is and why we all need to know about it
- Increase your skills for supporting others to make decisions
- Share ideas about some of the challenges
- Build on your knowledge for ensuring the people you support are getting what they need.

When: 24th May 5-8pm and/or 31st May 10am-1pm

Where: New Plymouth – the venue will be confirmed
