

TOWARDS A BETTER UNDERSTANDING OF STUDENTS WITH DOWN SYNDROME

Friday 23rd and Saturday 24th July

Christchurch College of Education, Dovedale Ave, Ilam

This 2 day seminar will cover a range of topics designed to give you a better understanding of children with Down Syndrome. It will cover behavioural issues, curriculum modification and give practical assistance to enable you to maximise the learning potential for children with Down Syndrome.

Anne Squire and Jill Phillips from the Down Syndrome Society of South Australia will present the seminar. Anne and Jill have years of experience in working with children with Down Syndrome.

This seminar was last presented in Christchurch in 2005 and was inspirational to parents and educators alike.

DO NOT MISS THE OPPORTUNITY TO BE AT THIS ONE!

Do not delay! Complete the attached registration form and secure a place at what will be an informative, practical and inspiring seminar!
