You will learn:

- Reasons why your child may currently be struggling with reading
- The importance of teaching your child to read early- especially if you child has Down syndrome, autism , dyslexia, or other learning disabilities;
- How to create and use flashcards effectively to teach reading;
- How to teach your child to progress from reading single words to couplets, phrases , sentences and

books;

- How to implement a fun reading program that works for you and your child.
